

The Jerry Bartnick Memorial Scholarship Award

The committee members of our chapter decided to offer a once a year scholarship of \$500 which has been named the “Jerry Bartnick Memorial Scholarship Award”. This scholarship is being awarded in Mr. Bartnick’s name because of his dedication and commitment to preserving the Natural Resources of the Great State of Michigan.

The requirements of eligibility for this scholarship are as follows:

Must be going into a field of Wildlife Management, Wildlife Conservation, Wildlife Biology, Wildlife Chemistry, Wildlife Geology or any other related field.

Must submit to our P.O. Box a one page essay on why this scholarship is important to you as well as an experience you had in your life that made you decide to go into this field.

Must be a graduating High School senior in Michigan or Ohio.

Must attend college within 2 years of graduating high school and must submit paid curriculum receipt to receive check.

Eligible entrants will be judged by the Southwestern Lake Erie Chapter Committee the second week of February each winter. Winning recipients will be invited to attend our Annual Banquet which is the last Saturday in February every year.
